Play description:

Pandemonium breaks out at the local high school beauty pageant! Everything starts out okay, but when the pageant director hires a couple of tech guys to sabotage the contestants, mayhem ensues. To add to the confusion, Miss English gets stage fright, Miss Art's father wants her to come home to do her chores, Miss Drama's friend wants to get into the act, and Miss Valedictorian recently had a brain operation. Just as the winner is to be announced, the pageant erupts into total disarray.

Thank you.

Good afternoon,

Mrs. Burkhalter said that this was her "quote" attached, and that if she clicks through one more screen it will place the order, so it was all she had.

Thank you.
