- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Broken Arrow Public Schools is requesting a Statutory Waiver/Deregulation of OAC 210:35-5-71 Library Media Services for Rosewood Elementary regarding media center staffing. Due to public school funding constraints, we request to employ one full-time certified library media specialist with no assistant.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

BAPS/Rosewood Elementary is committed to serving our students with library media services that enhance student achievement and reading literacy. The Rosewood Media Center's schedule has been set up for the certified media specialist to maximize time focused on student literacy. In order for the library media specialist to promote an appreciation of literature and the life-long enjoyment of reading, we will utilize office staff, 5th grade student leaders, PTA volunteers, and community partners to perform the most routine duties that would have been expected of the library assistant. These duties include shelving books, making book tags, helping students with appropriate book choices, and book check-in and check-out. Should the waiver be denied, funding from various programs supporting literacy, RTI, instruction and diverse student needs would likely be pulled to fund the assistant salary.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes. Rosewood Elementary was awarded this deregulation last year. Student performance did not suffer due to the elimination of the library assistant position. Scores on OSTP, STAR, Literacy Now, NSGRA, RSA and formative assessments continued to show progress with literacy skills and were on target with what was expected. Since many sites in the district are requesting this deregulation, any impact would be equal across the district.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The media center schedule will not change and students will have access to all resources as needed. The media center operation schedule for Rosewood Elementary is attached.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Past deregulation of library media services has allowed Broken Arrow Public Schools to utilize the salary of the eliminated library assistant to fund positions and instructional programs deemed more vital to student learning and achievement.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The certified media specialist will continue to be evaluated utilizing the district's TLE model and will be held to a standard of effective or higher. RSA, OSTP, STAR, Literacy Now, NSGRA and formative assessment scores will be monitored to assure that student achievement levels do not suffer as a result of the deregulation.
