- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Broken Arrow Public Schools is requesting a Statutory Waiver/Deregulation of OAC 210:35-9-17 Library Media Services for Broken Arrow Freshman Academy regarding media center staffing. Due to public school funding constraints, we request to employ one full-time certified library media specialist with no assistant.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

BAPS/Broken Arrow Freshman Academy will continue to provide the best service possible to our students. Broken Arrow Freshman Academy will utilize ___Sarah Galbreath___ in the media center to assist in covering the job duties that would be performed by a library assistant. In order for the media specialist to focus on students, the person covering will perform such duties as overseeing resource check-out and check-in. Students can also utilize their Chromebooks to look up books in the library by using our Destiny library catalog, access on-line research articles and view videos related to educational topics.

Chromebooks are provided to all students at Broken Arrow Freshman Academy through the BAPS 1:1 technology initiative.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes. Student performance has not been impacted in prior years. PSAT 9 scores have increased in the Evidence-Based Reading and Writing section have increased steadily from 435 in 2018 to 441 in 2020. The impact to other sites in the district is expected to be minimal.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The media center schedule will not change and students will have access to resources without interruption. The media center operation schedule for Broken Arrow Freshman Academy is attached.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

The deregulation will allow Broken Arrow Public Schools to utilize the salary of the eliminated library assistant to fund positions and programs deemed more vital to student learning and achievement.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The certified media specialist will continue to be evaluated utilizing the district's TLE model and will be held to a standard of effective or higher. PSAT 9 scores will be monitored to assure that student achievement levels do not suffer as a result of the deregulation.

** You will be contacted if more information is needed to process this request.
