Accept and Approve the NEW contract between Broken Arrow Public Schools and Renaissance for Educlimber and STAR Phonics. EduClimber is a data dashboard solution that will allow the district to see a student's data in one collective space in order to intervene in the best way possible for each student. STAR Phonics is an assessment solution that will assess phonics skills in our K-5th grades. A teacher will assess a student one-on-one (like they do now) and the assessment results will automatically input into the data dashboard instead of the teacher having to hand-key all of the data into an excel spreadsheet. This is a 4 year contract. The total cost to the district will be \$572,918.64 and paid for upfront using bond funds./ K. Henness
