Accept and approve the Renewal agreement between Broken Arrow Public Schools and Padlet. The cost to the district is \$1,000.00.

Padlet is an online instructional tool that provides a collaborative space for teachers and students to have online discussions in a safe and controlled environment. This tool relates to the type of communication that our students are used to and has been found to be an engaging way to create a backchannel of collaboration. Padlet will also be used with our teacher professional development platform to create space for teachers across the district to share ideas and learn from each other./ B.Chitty
