The DISTRICT and OSDE will perform the services and fulfill the responsibilities assigned to them respectively in the attached **Exhibit A** and **Exhibit B**, in accordance with the terms and conditions of this Participation Agreement. However, PCG’s performance of the services described in the attached **Exhibit A** and **Exhibit B** is expressly conditioned upon the DISTRICT’s performance of its responsibilities and upon OSDE’s performance of its responsibilities under the Participation Agreement and above-referenced **Exhibit A and Exhibit B**.
- B.** The parties to this Participation Agreement may expand the scope of this Participation Agreement to include other products or services offered by PCG, and to specify rates of payment for such products or services, by means of amendments to this Participation Agreement.
- C.** Additional scope of work if requested by the LEA. As a participant in the Oklahoma State Department of Education (OSDE) school-based Medicaid program districts will have the option to receive disability evaluation support through PresenceLearning.

This includes the following services:

- Direct evaluation support to Participating Districts of the OSDE Medicaid Program
- Virtual Evaluations
- Priority will be eligibility evaluations, followed by additional areas dictated by OSDE
- District Engagement

II. TERM

- A.** The term of this Participation Agreement (the “**Term**”) shall commence on the Effective Date and shall continue through June 30, 2024. Term of Service is further defined in Section VII of this agreement.
- B.** Notwithstanding the foregoing, this Participation Agreement will expire automatically upon the expiration or termination of the PCG Contract or the Authorizing Agreement, whichever occurs earlier.

III. CLAIMING AND COMPENSATION PROCEDURES

- A. Pursuant to the Authorizing Agreement, the PCG Contract, and this Participation Agreement, including the exhibits hereto, PCG will submit Medicaid reimbursement and quarterly MAC claims to OHCA on behalf of the OSDE and all DISTRICTs participating in the SBHS program.
- B. Pursuant to Article 5.1.C of the Authorizing Agreement, for services rendered on or after July 1, 2018, OHCA will make payments directly to the DISTRICT, within 45 days of submission of a clean claim, and OHCA will invoice DISTRICT for the State share of all such payments.
- C. For fee-for-service claims the DISTRICT hereby agrees to pay PCG 10% of the federal share amounts received from OHCA on account of the above-referenced claims, as compensation for PCG services.
 - a. PCG shall invoice the DISTRICT only after reimbursement has been received by the DISTRICT. Each invoice shall state the nature of the reimbursement received, the date of reimbursement, and the time period of the services provided by PCG.
- D. For MAC the DISTRICT hereby agrees to pay PCG 10% of the federal share amounts received from OHCA, as compensation for PCG services.
 - a. PCG shall distribute MAC reimbursement, less the 10% of the federal share, to the DISTRICT on a quarterly basis only after the MAC claims have been paid by OHCA.
- E. Upon expiration or termination of this Participation Agreement, PCG shall be entitled to payments for services provided prior to termination. The parties acknowledge that one or more invoices may be submitted or recouped by PCG after the termination date, following reimbursements received by the DISTRICT on account of such services. Accordingly, the parties agree that the provisions associated with PCG's compensation shall survive expiration or termination of this Participation Agreement.
- F. This Agreement provides a mechanism for payment to the DISTRICT by OHCA (through OSDE and PCG) using federal funds from CMS, and the parties agree that it in no way creates a requirement for OHCA to reimburse any DISTRICT from OHCA state funds.

IV. DISALLOWANCES

If a reimbursement is disallowed after it was paid to the DISTRICT, PCG shall return to the DISTRICT any fees that were paid to PCG by the DISTRICT under Section III.C & D with respect to the disallowed reimbursement in accordance with the following terms:

- A. For disallowances on claims attributable to errors or omissions caused by PCG, PCG will work with the DISTRICT and take all reasonable actions to challenge the disallowance.
- B. PCG shall not be obligated to reimburse the DISTRICT for a disallowance if the DISTRICT, OSDE, or OHCA does not allow PCG to fully participate in the review and audit process.
- C. PCG shall not be obligated to reimburse the DISTRICT for any disallowance resulting from the errors, acts, or omissions of the DISTRICT. PCG's billing or preparing and MAC claim on behalf of the DISTRICT is in good faith and the data DISTRICT enters is processed by PCG on an "as is" basis. The DISTRICT warrants that (i) service data entered into OK EDPlan™ and/or PCG Claiming System and supporting claiming data furnished is accurate and complete and that (ii) the DISTRICT has appropriate records to substantiate claims submitted on their behalf by PCG.
- D. Subject to the terms provided in this Section, in the event claims are disallowed as a result of PCG's errors or omissions and federal funds are returned and all avenues for contesting the disallowance have been exhausted, PCG shall refund to DISTRICT an amount no greater than the amount paid by the DISTRICT on the amount disallowed. For the auditing process on claims attributable to errors or omissions caused by PCG, PCG shall bear the cost of such defense.

V. RECORDS

- A. Upon reasonable notice, which will be no less than ten (10) business days, unless circumstances require a more rapid response at which time the parties will mutually agree on a response deadline based on the size, scope and urgency of the request, PCG shall allow the DISTRICT and OSDE and any of their duly authorized representatives or agents reasonable access to any records of PCG that are pertinent to this Participation Agreement for the purposes of audits or examinations, provided that (i) any audit or examination requiring physical access to PCG's records shall take place during PCG's normal business hours of operation and in a commercially reasonable manner; and (ii) absent exigent circumstances, neither the DISTRICT nor OSDE shall request more than one (1) audit or investigation within a calendar year.
- B. PCG shall maintain its records relating to this Participation Agreement for a period of at least six (6) years from the date of service or claim payment, whichever is greater. For fee-for-service claims, upon expiration or termination of the Agreement, and DISTRICT elects not to participate in the next successive term, PCG will provide DISTRICT a zip file via SFTP

file transfer to include claims information in either text format or Excel format going back six (6) years from the date of expiration or termination. If additional years are required, a different file format, and/or a delivery method other than SFTP is requested, PCG will provide DISTRICT data in the requested date range and format and charge per hour to do so. The hours to complete the work will be priced at the prevailing PCG developer rates. DISTRICT shall be obligated to pay prior to delivery of the data.

- B.** The parties shall comply with the requirements of applicable federal and state laws relating to the confidentiality of information, and agree to amend this Participation Agreement as may be necessary to reflect changes in the applicable law.
- C.** PCG shall request from the DISTRICT, and the DISTRICT shall provide to PCG, only such information as is reasonably necessary to effectuate the purposes of this Participation Agreement. PCG shall take steps to safeguard all confidential information that it receives or creates pursuant to this Participation Agreement.
- D.** PCG shall not use confidential information received from the DISTRICT identifying individual students for any purpose other than the purposes of this Participation Agreement or other purposes expressly directed or allowed by the DISTRICT in a writing signed by the DISTRICT, and shall immediately notify the DISTRICT if such confidential information is subpoenaed or requested by a third party, or otherwise required to be disclosed by a lawful court order or by operation of law, or is improperly used, copied, or removed.
- E.** If the DISTRICT determines it necessary in order to comply with its obligations under law, the DISTRICT may examine facilities, systems, procedures, and records of PCG to the extent necessary in order to confirm the adequacy of security measures as they relate to this Participation Agreement, subject to adequate advance written notice of no less than ten (10) business days and any examination requiring physical access to PCG’s facilities or records shall take place including during PCG’s normal business hours of operation and in a commercially reasonable manner.
- F.** Upon expiration or termination of this Participation Agreement, PCG shall use reasonable and secure means to return or destroy (as directed in writing

by the DISTRICT) all documentary information protected by federal or state confidentiality laws that was received or created by PCG under this Participation Agreement. To the extent that destruction or return is not feasible, PCG will continue to extend the protections of the Agreement to such information and limit its further use, until such time as destruction or return is feasible.

- G. Nothing in this Participation Agreement is intended to confer any rights, remedies, obligations, or liabilities upon anyone other than the DISTRICT, PCG, and their respective successors and assigns.

OSDE

OSDE is the state agency responsible for oversight of Oklahoma public school district compliance with the requirements of the Individuals with Disabilities Education Act (IDEA), 20 USC § 1400, et seq. As part of that responsibility, OSDE is tasked with collecting and monitoring school district IEPs. (PCG), in collaboration with OHCA.

PCG

OSDE contracts with PCG to act as a third-party administrator to fee-for-service (FFS) and Medicaid Administrative Claiming (MAC):

FFS

3. Provide ongoing OK EDPlan™ and program support to the School District.
 - Email support will be provided via the email links on the OK EDPlan™. Message Board page
 - Phone support will be during the hours of 9:00 AM and 5:00 PM local time, excluding weekends and holidays. PCG will provide a toll-free or local number. This number will connect the School District contact with PCG's OK EDPlan™ help desk.

4. Prepare and update as appropriate, a Compliance Checklist identifying the relevant Medicaid documentation rules for the OK School-Based Medicaid program.
5. Based on the information entered on OK EDPlan™ by School District as well as the compliance check options agreed to in the Compliance Checklist, process, generate, and submit claims to OHCA on behalf of OSDE and all School Districts participating in the program.

7. Review Remittance Advices from OHCA to reconcile, correct denied claims, and void claims as appropriate.
8. Generate and provide claiming and compliance reports to School District.
9. Perform annual program integrity reviews pursuant to the SBHS audit plan approved by OSDE.
10. Retain service documentation that supports its claims for Medicaid reimbursement and meets the minimum Medicaid and OHCA requirements for 6 years (OHCA Policies and Rules: 317:30-3-15). Records that are part of an ongoing compliance review, audit, grievance, or litigation require that the documentation be retained beyond 6 years.

MAC

PCG has developed a description of reimbursable MAC activities performed by District contract or salaried staff. This list is in accordance with CMS guidelines. A description of the MAC activities can be found in the Time Study Implementation Guide. Therefore, PCG will:

1. Review District MAC claims for Medicaid reimbursement on a quarterly basis.
2. Compile documentation as set forth by CMS guidelines and calculate a MAC claim for reimbursement.
3. Issue payment to the District representing all of the federal share of actual and reasonable costs less PCG's administrative fee for MAC activities provided by the District, as determined by CMS approved cost allocation methodologies and time study formulas.
4. Prepare claims to OHCA, on behalf of OSDE, to forward for funding to CMS for Title XIX participation.
5. Calculate MAC claims directly in the PCG Claiming System and District financial personnel will be able to view the calculation.
6. Notify the District in the event of any changes made by CMS to federal matching percentages or costs eligible for match.
7. Assist Districts via the help desk with program components including but not limited to education and training, and technical assistance for the SBHS program. The PCG Claiming System will provide a variety of resources.
8. Distribute MAC reimbursement funds to the District via Electronic Funds Transfer (EFT). PCG is obligated to reimburse funds to the extent that PCG receives funds from OHCA, excluding appropriate administrative fees as agreed between OSDE and PCG. PCG reserves the right to withhold distribution of payment(s) if the District is in a payback situation for any program component.

School District

FFS

1. Designate a liaison who has decision making authority, or reports directly to someone who has such decision-making authority with respect to all matters in the Participation Agreement (including its exhibits). The liaison will serve as the primary point of contact with OSDE and PCG.
2. Actively participate in this program and be available for training sessions in accordance with an agreed schedule and for other required tasks, activities, and approvals.
3. Enroll as a Medicaid provider. This includes notifying Medicaid of any change in address, tax ID, or other information required to keep Medicaid provider enrollment records current at all times.
4. Obtain a National Provider Identifier (NPI) for billing transaction purposes.

5. Have its rendering providers enroll as a Medicaid provider (contract with OHCA), re-enroll as a Medicaid provider (re-new contract with OHCA) and obtain an NPI. The Medicaid provider ID and its effective dates must be recorded in OK EDPlan™. The School District must have all rendering providers linked to its Medicaid ID via Appendix A in OHCA's portal before submitting claims for Medicaid reimbursement.
6. Complete paperwork for PCG to submit and receive electronic claims and electronic Medicaid enrollment data on behalf of school district.
7. Obtain one-time written parental consent to disclose information and bill Medicaid for services and to provide the parent or guardian with initial and annual notice of the disclosure.
8. Obtain a separate physician referral for Physical Therapy services.
9. Obtain a separate prior authorization for Personal Care services.
10. Ensure that its rendering providers (employees or contractors who perform direct medical services) meet all of Medicaid's licensure, certification, and other criteria to qualify as Medicaid providers and provide services for which Medicaid reimbursement is claimed.
11. Initially set up and manage ongoing access and supervisor links for its health-related service providers in OK EDPlan™
12. Have its health-related service providers record all health-related services they provide to special education students in OK EDPlan™. PCG will not submit claims for any services not entered in OK EDPlan™.
13. Have its liaison record all necessary claim support documentation in OK EDPlan™.
14. Provide all services that are listed in the student's IEP, regardless of whether the services are Medicaid-covered and can be billed to Medicaid. (PCG will submit Medicaid claims only for Medicaid-covered services.)
15. Be responsible for the accuracy and completeness of the data its employees provide for claim submission. Errors must be corrected as soon as possible. School District, not OSDE or PCG, is accountable for any errors or omissions.
16. If audited by the State or Federal Government or their agents, disclose all Medicaid records required for audit purposes.
17. Safeguard student records in accordance with the Family Educational Rights and Privacy Act (FERPA), applicable provisions of HIPAA, and all applicable OK state laws.
18. Be responsible for informing its program participants of all relevant privacy regulations and policies.
19. Ensure the availability of non-federal (state/local) funds expended for Medicaid covered services equal to the required state share match. Districts can only use state/local monies for matching Medicaid. Districts may not use federal funds for the required match. If a federal grant has a cash match requirement, the funds used for the match cannot also be used as a match for Medicaid.
20. Participate in the program financing model by transferring state matching funds to OHCA, equaling the non-federal matching funds required for receipt of federal Medicaid funding for the service.
21. Retain service documentation that supports its claims for Medicaid reimbursement and meets the minimum Medicaid and OHCA requirements.
22. Comply with the requirements of the OK Medicaid Billing Services Compliance Checklist.
23. As used in this Exhibit, "records" includes books, documents, accounting procedures and practices, and other data, regardless of type and regardless of whether such items are in written form, in the form of

computer data, or in any other form. In accepting any Contract with the State, the School District agrees that any pertinent State or Federal agency will have the right to examine and audit all records relevant to execution and performance of the resultant Contract.

The District is required to retain records relative to the Contract for the duration of the Contract and for a period of six (6) years following completion and/or termination of the Contract. If an audit, litigation, or other action involving such records is started before the end of the six (6) year period, the records are required to be maintained for two (2) years from the date that all issues arising out of the action are resolved, or until the end of the six (6) year retention period, whichever is later.

24. Unless otherwise specified in the Oklahoma Open Records Act, Central Purchasing Act, or other applicable law, documents and information School District submits as part of or in connection with a contract are public records and subject to disclosure. School District claiming any portion of their contract as proprietary or confidential must specifically identify what documents or portions of documents they consider confidential and identify applicable law supporting their claim of confidentiality. The Superintendent of OSDE (STATE OF OKLAHOMA) shall make the final decision as to whether the documentation or information is confidential.

District shall cooperate in the defense of any disallowance claim arising in connection with this Agreement. Any defense costs associated with the disallowance on claims attributable to errors or omissions caused by District shall be borne by District. District agrees and understands that the federal government may levy a disallowance on the Medicaid expenditures made in connection with this Agreement. District also agrees and understands that disallowances levied may or may not be upheld, in whole or in part, if appealed. District shall be responsible for any disallowance, deferral, or recoupment.

MAC

1. District will designate an employee(s) to act as a liaison with PCG for issues concerning this Agreement, administration of the MAC component of the SBHS program, and financial information. The District may choose to designate more than one person based on roles and responsibilities as Districts are required to have a replacement available to perform program requirements in the case of an absence. If the designated employee(s) changes roles or leaves the District must provide written notice to PCG within ten (10) business days.
2. District must participate in the fee-for-service component of the SBHS program in order to participate in the MAC component for reimbursement.
3. District will meet all deadlines to submit required information to PCG for the purposes of the SBHS program.
4. District must accept quarterly MAC reimbursement payment(s) via EFT and provide PCG the appropriate banking information to conduct the transaction. If there are changes to the District's bank information such as account number, the District must provide written notice to PCG within ten (10) business days. PCG is not responsible for any fees in the event the District does not provide correct or updated bank information.
5. The accounting system used by the District or its contractor must comply with the requirements contained in 2 CFR 220.
6. District must follow the policies and procedures contained in the "Time Study Implementation Guide" approved by CMS.
7. District will maintain or coordinate a contractor's assistance in maintaining an OSDE/OHCA/CMS approved MAC component to include training, the use of standardized sample forms, sampling, the development and maintenance of clearly identifiable cost accounting pools, and the application of sample percentages to accounting pools in a manner which will document the process for audits.

8. District will report quarterly salary and benefit, and contracted personnel costs for participants that are included on the related Random Moment Time Study (RMTS) staff pool list. Costs are reported on a cash basis. Each quarter's costs must be certified by an authorized financial representative of the District.
9. District must sign and return to PCG the non-federal matching dollars, also referred to as quarterly Certification of Public Expenditures (CPE) form(s), and/or other documentation determined by OHCA to be necessary to verify that the District has expended the state / local funds reflected in the certification. The CPE form must be signed and dated by an authorized financial representative on behalf of the LEA. The funds expended and reported in the CPE must be funds other than federal funds.
10. Quarterly CPE forms are generated with the claim and distributed electronically. The District will need to sign each quarter's CPE in the PCG Claiming System before disbursement of MAC funds.
11. District shall monitor employee participation to ensure that every RMTS form is completed. The District must meet the minimum return rate compliance of 85% of moments assigned each quarter. After the first quarter of RMTS non-compliance, the District is required to submit a Corrective Action Plan (CAP) outlining a plan to meet compliance. After two consecutive quarters of RMTS non-compliance, the District is required to document why the strategy in the CAP was not effective and submit a revised CAP. After three consecutive quarters of RMTS non-compliance, the District may be removed from participating in the MAC component of the SBHS program. Non-compliance measures may change at any time based on direction from OSDE/OHCA or a federal entity. Submission of and compliance with a CAP is not the exclusive remedy for non-compliance by the District. In addition to requiring the adoption and implementation of a CAP, claims for MAC may be denied and/or recouped as a result of non-compliance.

Compliance Reviews

1. A LEA receiving MSBC Program funds will be subject to a comprehensive compliance review conducted no less than once every four years. The LEA will comply with all required next steps as a result of findings.
2. Any recoupment or disallowance of funds for any reason, including as a result of an audit exception, disallowance or comprehensive compliance review, or deferral or denial by CMS or OHCA, will be the exclusive responsibility of the District, regardless of when the recoupment or disallowance is issued or whether the District has withdrawn from the SBHS program. PCG shall have no liability for any such recoupment or disallowance of funds. If a recoupment is requested, payment by the District is due on demand.
3. District will comply with all applicable federal, state, and local laws, rules and regulations, program requirements, OSDE and OHCA policies, and procedures governing performance of duties under this Agreement, including but not limited to an annual audit conducted in accordance with the Single Audit Act of 1984 and all applicable amendments.
4. District agrees to maintain and furnish records and documents from the date of payment, both medical and non-medical, as may be required by applicable federal and state laws. The LEA will allow PCG or designees reasonable access during regular business hours to review, copy or obtain specific records or documents and will cooperate with PCG or designee to facilitate the information and record exchanges necessary for quality management, utilization management, or other processes required for SBHS program operations.
5. District shall comply with all deadlines set by PCG regarding compliance reviews, deliverable and documentation deadlines, and respond to PCG in a timely manner. It is the responsibility of the District to stay informed regarding deadlines and program changes through, newsletters, trainings, as well communications sent by PCG.

6. Should a District not submit documentation that meets all SBHS program documentation requirements to substantiate cost reported or reimbursement received or fails to submit required documentation within the outlined required timeframe if/when selected for a compliance review all monies determined owed are subject to recoupment.
7. All documentation submission for compliance reviews must be made in an acceptable format depending on the content of the data and District is responsible for delivery timelines despite service provider or methods of delivery used. All data that contains private, confidential student data must be submitted securely, and the District is responsible for alternate submission arrangements should technology prohibit secure electronic data submission.
8. District documentation, data certifications, and submissions should undergo a thorough review and quality check by the District to ensure accuracy. Certification language should be reviewed carefully to understand responsibility of accuracy and acknowledgement of consequences before submission to PCG.
9. District will comply with all program requirements as outlined in the MSBC Program Handbook and AMPM chapter 710 specific to school-based claiming prior to submitting costs for MAC claims. The LEA will submit all financial supporting documentation upon request. The LEA shall not engage in unallowable practices such as back-dating or any other alteration of the source document in order to falsify program compliance.
10. District will cooperate with periodic compliance reviews conducted by PCG and will comply with recommendations that result from those comprehensive compliance reviews. District will supply a dual certified CAP certified by two District representatives for areas identified as non-compliant during a compliance review.

EXHIBIT B – COMPLIANCE AGREEMENT

Each of the parties to this Participation Agreement agree to fulfill the compliance responsibilities assigned to it in this Exhibit B.

EXHIBIT B
COMPLIANCE CHECKLIST
EFFECTIVE SCHOOL YEAR 2023-2024
SCHOOL-BASED HEALTH SERVICES PROGRAM

Public Consulting Group (PCG) has been retained by the Oklahoma State Department of Education (OSDE) to administer the School Based Health Services (SBHS) program for all participating school districts (hereafter referred to as “School District”). PCG will provide Medicaid billing services pursuant to the contract between the Oklahoma Health Care Authority (OHCA) and OSDE, the contract between OSDE and PCG, and the Participation Agreement among OSDE, PCG, and School District.

This Medicaid Billing Services Compliance Checklist is intended to help School District comply with applicable Medicaid billing requirements. It is a requirement of the SBHS program that OSDE reviews the Checklist together with PCG before the start of each school year, that OSDE executes the Checklist and delivers it to School District before the start of each school year, and that School District complies with the Checklist throughout the school year. The current Compliance Checklist will remain in effect until a new checklist is signed.

All Medicaid billing must be in compliance with all applicable Medicaid requirements, including those relating to documentation. School District’s failure to maintain the required documentation could result in a recoupment of Medicaid payments.

- **School District is responsible for the accuracy of the data it enters into OK EDPlan™, hereafter referred to as “PCG System” and data that it otherwise sends to PCG for Medicaid billing purposes.**
- **School District is responsible for ensuring that claims are not submitted for direct service delivery that was not provided. For example, School District must ensure that claims for direct service delivery are not submitted on dates when student attendance data does not show student as “present” in school.**
- **School District is responsible for maintaining all documentation necessary to support the payment of Medicaid claims.**
- **In the event of a state or federal Medicaid audit, School District is responsible for producing the required documentation, including documentation that may not be referenced in this Compliance Checklist.**
- **School District is responsible for controlling School District user access to the PCG System, including managing passwords and activating and inactivating user access.**

PCG will perform a review of participating School District information based on the data provided by the School District before using that data to bill Medicaid on behalf of School District. The purpose of such “pre-billing checks” is to help School District avoid the submission of claims to Medicaid that do not satisfy Medicaid requirements.

The following Compliance Checklist covers many standard Medicaid documentation requirements for school-based Medicaid direct services billing programs. This is not a comprehensive list of every requirement of the program for which School District will be responsible to provide supporting documentation. **It remains the responsibility of School District to ensure that it is not providing inaccurate documentation to PCG, or otherwise providing information that would lead to the submission of inaccurate claims.**

Please contact PCG if you have any questions about the foregoing outline, or any of the items below.

1. Medicaid ID

REQUIREMENT: Every student for whom a service is provided must have a valid Medicaid ID.

School District is responsible to provide correct student demographic data necessary to determine if the student has a Medicaid ID.

PCG will check Medicaid ID, based on School District data.

Before billing Medicaid, PCG will check Medicaid enrollment data obtained from the State Medicaid agency to confirm that the student has a valid Medicaid ID. If student does not have a valid Medicaid ID, the service will not be billed.

How should PCG expect to receive this information from School District?

Enrollment information will be obtained from the PCG System. The data that generates said information comes from School District.

2. Service Date Span

REQUIREMENT: Each service submitted to Medicaid must be within the time period that the student is covered by Medicaid.

PCG will check Medicaid Service Dates, based on School District data.

Before billing Medicaid, PCG will check Medicaid enrollment data to confirm that the service delivery dates are within the Medicaid date spans obtained from the State Medicaid agency. If the service date is not within the Medicaid date spans, the service will not be billed.

How should PCG expect to receive this information from School District?

Service information will be obtained from the PCG System generated by the data entered by School District.

3. Age

REQUIREMENT: Each service submitted to Medicaid must be age-appropriate.

School District is responsible to provide correct student demographic data necessary to determine if the student is the required age.

PCG will check student Age, based on School District data

Before billing Medicaid, PCG will check that the student is the required age on the date of service, based on Medicaid rules for the type of service submitted. For example, a student must be 3 years and older to receive a school-aged service. If the student is not of the appropriate age, then the service will not be billed.

How should PCG expect to receive this information from School District?

Demographic info will be obtained from the PCG System. The data that generates said information comes from School District.

Age Range: Between 3 years and less than 21 years as of the date of the school-based service.

School District is responsible for verifying that the appropriate diagnosis code is selected and documented in the PCG system.

PCG will check that School District provided a diagnosis code, based on School District data.

Before billing Medicaid, PCG will check that School District has provided a diagnosis code pursuant to OHCA Policies and Rules 317:30-5-4. If a diagnosis code is not provided by School District, the service will not be billed.

Please select the method by which diagnosis codes are provided to PCG:

Provider-selected diagnosis code will be documented in the service log in the PCG System by School District. PCG will extract the diagnosis codes prior to each billing cycle.

School District is responsible for verifying that the appropriate diagnosis code is selected and on file.

5. Individualized Education Program (IEP) Dates

REQUIREMENT: Each service submitted by School District to PCG that requires an IEP for Medicaid billing must be supported by an IEP effective on the date of service documented by School District. It is

School District's responsibility to make sure that the IEP includes the student's name; description of medical condition; achievable, measurable, time-related goals and objectives that are related to the functioning of the student; the type of services the student will need, and the frequency and estimated length of treatments; and the duration of treatment. Note - PCG will not check or confirm that the IEP includes these items; School District must check and confirm that the applicable IEP has all necessary information for any service that School District submitted pursuant to that IEP. The recommendation for the services identified in the IEP, and the recommendation for the appropriate scope, frequency and duration of the service, must be made by a licensed practitioner of the healing arts operating within their scope of practice.

☒ PCG will check that service delivery dates are within the IEP date span, based on School District data.

Before billing Medicaid, PCG will check that the service delivery dates are within the IEP date span in the PCG System. *It is the responsibility of School District to ensure that the related service is prescribed in the IEP for the appropriate duration to support billing.* If the service date is not within the IEP date span, the service will not be billed.

How should PCG expect to receive this information from School District?

☒ IEP dates will be obtained from the PCG System. The data that generates said information comes from School District.

☒ School District will enter these dates into the PCG System. PCG will extract these dates prior to each billing cycle.

7. Supervisor Sign-Off

REQUIREMENT: Certain specified services may be provided under the direction of or under the supervision of another clinician. For the supervising clinician, "under the direction of" means that the clinician is supervising the individual's care which, at a minimum, includes seeing the individual initially, prescribing the type of care to be provided, reviewing the need for continued services throughout treatment,

assuring professional responsibility for services provided, and ensuring that all services are medically necessary. "Under the direction of" requires face-to-face contact by the clinician at least at the beginning of treatment and periodically thereafter.

School District is responsible for ensuring that providers who meet the Medicaid qualifications have access to document services in the PCG System and that services delivered by providers requiring Supervisor Sign-Off are approved.

☒ PCG will conduct Supervisor Sign-Off checks prior to billing for Nursing, Occupational Therapy, Physical Therapy, Speech Therapy, Therapeutic Behavioral Health, Hearing and Vision services.

For staff members who require documentation review, the supervising provider will use the service log approval wizard in the PCG System to approve appropriately supervised services. Before billing for these services, PCG will check to see if the services by providers without full licensure were approved in this way by School District. If the services are not approved in this way by School District, the services will not be billed.

How should PCG expect to receive this information from School District?

☒ Service provider (clinicians, assistants, and aides) access and usage in the PCG System is managed by School District. The set-up requires School District to maintain and enter any supervisor signoff requirements.

9. Parental Consent to Access Public Benefits or Insurance

REQUIREMENT: Under 34 CFR §300.154(d)(2)(iv), a public agency must obtain a one-time written parental consent before accessing a child's or parent's public benefits or insurance for the first time. Paragraph (A) of § 300.154(d)(2)(iv) describes the specific elements of the written parental consent that a public agency must obtain under FERPA and IDEA before it may release for billing purposes a child's personally identifiable information to a public benefits or insurance program (e.g., Medicaid). Paragraph (B) of § 300.154(d)(2)(iv) requires that the onetime consent must specify that the parent understands and agrees that the public agency may access the child's or parent's public benefits or insurance to pay for services. A public agency must also provide initial and annual written notification as described in 34 CFR §300.154(d)(2)(v) to ensure that parents are fully informed of their rights before a public agency can access their or their child's public benefits or insurance to pay for services under the IDEA.

Under all circumstances, School District is responsible for maintaining copies of parental consents to access public benefits as well as written notifications and, if applicable, revocations of such consents.

PCG will conduct a pre-billing check for parental consent to access public benefits, based on School District data

If the student has a consent date before the service date, and there is no revocation of consent documented thereafter, then the services will pass the check and be eligible for billing. If the service date does not follow an effective parental consent date, the service will not be billed.

How should PCG expect to receive this information from School District?

School District will enter the date of parent consent into PCG System.

10. Non-School Days (Weekends, Holidays, etc.)

Before billing for Personal Care services, PCG will check the date of the prior authorization, based on School District data.

Before billing Medicaid for a specified therapy service, PCG will check that the date of service is within the effective date of the prior authorization provided by School District. If the service date is not within the effective dates of the order, authorization, or referral, the service will not be billed.

How should PCG expect to receive this information from the School District?

School District will enter these dates into the PCG System. PCG will extract these dates prior to each billing cycle.
