She was only Marginally Modest

She was only Marginally Modest is a western melodrama about a girl named Marge Modest who is hiding from a man named Brad Apple. She hides in a Moose Lodge owned by Ma Belle. Ma Belle is going out of business and trying to keep the Moose Lodge. Through a series of events, Brad Apple tries to buy the Lodge out from a crooked Judge. Just as Brad Apple thinks he is going to win, he brings in someone to con them out of their money and it turns out to be a good judge in disguise, Ruben B Patsy. Ruben is able to sentence Brad to working on a farm and the crooked cop to 5 years of hard labor. In the end, Marge gets married and Ma Belle keeps her Moose Lodge.
