Receipt & Storage of Product:

Unless agreed upon ahead of time, the customer is responsible for unloading product from the truck and checking the bill of lading for missing equipment and/or damages. Please check deliveries carefully. Anything missing or damaged should be noted on the bill of lading when signing for the shipment. Photographs of damaged equipment should be taken and forwarded to us.

Installation:

Our installation prices are based upon the site being graded and ready for the equipment, with no large rocks that may interfere with drilling the foundation. If large rocks or other obstacles are found which were unanticipated, there may be additional costs involved. We will notify the owner before proceeding.
