Fund/Project OCAS Coding

Consent

Action

The purchase of the 450 ChromeTablets will allow the district to provide 10 tablets per PreK class. This will allow the students to complete the required instructional technology engagement with our online curriculum. The ChromeTablet purchase is the first installment towards an elementary student-device sustainability plan. / B.Chitty

Summary This area must be completed with full explanation of contract

The Contract/Agreement should be received at least 2 weeks prior to a Board Meeting to ensure placement on the Agenda. The Contract Committee meets most Tuesdays at 8:00a.m. All Contracts/Agreements, regardless the amount, must be first approved by the Contract Committee and then presented to the Board of Education for approval and signature. The item will be placed on Electronic School Board for the board agenda by Janet Brown. By following this process, the liability of entering into an agreement is placed with the district rather than an individual.
