## Operating Procedures and Safety Rules for Inflatables

Each operator must read and understand the following instructions...

1. **Supervision by an adult trained attendant is required at all times.**
2. **Attendant shall make sure all riders are aware of the safety rules of the inflatable.**
3. The inflatables should not be operated if wind exceeds 25 mph or in rain or lightning conditions.
4. If during operation the wind becomes excessive (25mph), or it rains, unload the riders, deflate the ride and call Joyful Jumps.

### Emergency Procedures

Emergencies can arise for various reasons. The following are a few examples of emergencies and how they can be handled. This is strictly a guide...please use common sense when an emergency occurs.

### Weather

Bad weather can arrive in the form of rain, lightning or strong wind. In each case you want to evacuate the ride as quickly and safely as possible.

- **Remain Calm!** If you panic your riders may also panic. Stay calm and stay focused on your job, which is to help your riders exit the ride quickly, but in an orderly fashion.
- After everyone has exited the ride, deflate the ride by turning off the blowers.
- Inflatable should be folded over once so that the interior is protected from the weather.

### Loss of Electrical Power

When a loss of power occurs the ride will slowly start to deflate.

**-Remain Calm!** This situation tends to cause panic...unless the operator stays calm and relaxed. Talk calmly to those inside the unit telling them not to panic while you're helping them walk out.

- Check to see if the blowers have come unplugged or the cords are unplugged from the outlet. If so, plug them back in and the ride will re-inflate.

- Contact or have someone contact Joyful Jumps at 918-504-4074 to check the problem. **Do not leave the ride unattended.**

**Damage**

If the ride becomes damaged while in your operation, take the following steps.

-If the ride is ripped or otherwise begins to lose air, assist all riders from the ride and deflate it.

-Write down what happened, when, and any other details you observed and turn this report in to the Responsible Party.

-Contact Joyful Jumps at 918-504-4074 immediately. Do not attempt to continue to operate the ride.
