In addition, the ***School District Empowerment Program***, 70 O.S. § 3-129.11, allows a local school district to request to the State Board of Education an exemption from all statutory requirements and State Board of Education rules from which charter schools are currently exempt.

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Broken Arrow Public Schools is requesting a Statutory Waiver/Deregulation of OAC 210:35-7-61 Library Media Services for Oneta Ridge Middle School regarding media center staffing. Due to public school funding constraints, we request to employ one full-time certified library media specialist with no assistant.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

Oneta Ridge Middle School utilizes _various secretarial staff members and volunteers__ in our media center to assist in tasks that would be performed by a media assistant. These include checking books in and out, returning books to the shelves, managing the front desk, copying and sorting documents, working the book fair, performing minor book repairs, delivering Chromebook carts, and assisting students with basic questions. Additionally, the ORMS Media Club will take on projects that assist in many routine library duties. Our media center coverage plan will allow the media specialist, Mrs. Vanderboeg, to continue providing instruction to students and assisting in the development of their reading and research skills.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes. There have been minimal impacts to student performance and the certified media specialist continues to provide exceptional instruction. PSAT 8 scores were constant in 2020, and 2021 OSTP ELA scores remained above the state and district average. Other sites in the district are requesting deregulation so any impact will be equal.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The media center schedule will not change and students will have access to all resources as needed. The media center operation schedule for Oneta Ridge Middle School is attached.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Past deregulation has allowed Broken Arrow Public Schools to utilize the salary of the eliminated library assistant to fund positions and instructional programs deemed more vital to student learning and achievement.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The certified media specialist will continue to be evaluated utilizing the district's TLE model and will be held to a standard of effective or higher. PSAT 8, OSTP, STAR, Literacy Now, and formative assessment scores will be monitored to assure that student achievement levels do not suffer as a result of the deregulation.

** You will be contacted if more information is needed to process this request.
