Terms of Service and License

These Terms of Service state the binding legal terms and conditions between Customer and Vendor (as defined below; hereafter "Vendor") that govern the Products and Services that Customer has contracted to receive pursuant to the Sales Order or Quote provided to Customer by Vendor.

1. **Definitions.** As used above and in these Terms of Service, capitalized words have the meaning set forth in Exhibit A or as otherwise expressly defined in these Terms of Service.
2. **License and Access to Products.**
 - a. **License.** Subject to the terms and conditions set forth in these Terms of Service, Vendor grants Customer a limited, revocable, non-exclusive, non-transferable, non-sublicensable license during the Term solely to access and use the Products for educational assessment and practice functions. No other license, express or implied, is granted by these Terms of Service.
 - b. **Access and Use Limitations.**
 - i. **Access and Use.** Customer may access and use the Products during the period beginning on the first day of the Subscription Period and ending upon the earlier of expiration of the Subscription Period or termination of the Agreement. Access may be restricted during Vendor's maintenance and updating of the Products.
 - ii. **Quantity.** The Quote sets forth a quantity for each identified Product or Service. Customer may not exceed the quantities stated in the Quote without further written agreement by the parties, or as described in Section 6(b), below.
 - iii. **Access and Use Restrictions.** Customer shall not access or use the Products for any purpose beyond the limited license granted in these Terms of Service. Without limiting the foregoing, Customer shall not: (A) copy, modify, or create derivative works of the Products, in whole or in part; (B) rent, lease, lend, sell, sublicense, assign, distribute, publish, transfer, or otherwise make available the Products; (C) reverse engineer, disassemble, decompile, decode, adapt, or otherwise attempt to derive or gain access to the source code of the Products, in whole or in part; (D) use the Products or Content in any manner for (1) designing, developing, using, or deploying any software program or service including but not limited to any purpose related to the training, testing, validating or operating of any software or service incorporating a large language model, foundation model, deep machine learning, generative artificial intelligence, or any other algorithm, model, or process of a nature commonly referred to as artificial intelligence (collectively, "AI Tools"), (2) creating a tool to extract data from our content, (3) assimilating, assembling, or otherwise generating archived or cached data sets containing our content or providing such datasets to another person or entity, or (4) any data aggregation, analysis or mining purposes; (E) remove any proprietary notices from the Products; (F) allow anyone other than Customer or its Authorized Users to access or use the Products; (G) use the Products, including uploading any Customer Data, in any manner or for any purpose that infringes, misappropriates, or otherwise violates any Intellectual Property Rights or other right of any Person, or that violates any applicable law; (H) access or use the Products for any purpose not authorized under these Terms of Service; (I) share, transfer or sell Valid Login Information to anyone other than Authorized Users, and shall be responsible for any access to, or use of, the Products resulting from Customer's failure to safeguard Valid Login Information; or (J) allow multiple Persons to access or use the Products in a manner intended to avoid incurring fees. Customer agrees to promptly notify Vendor of any actual or suspected unauthorized access to or use of the Products, after which Vendor may then implement a Service Suspension.
 - iv. **Authorized Users.** Customer may permit its Authorized Users to access and use the Products in the same manner and for the same purposes as Customer, as set forth in these Terms of Service. Customer shall be responsible and liable for all access to and use of the Products by any Authorized User and any other access to the Products permitted or enabled by Customer or an Authorized User.
 - v. **Suspension.** Notwithstanding anything to the contrary in these Terms of Service, Vendor may suspend access and use for any portion or all of the Products by a Customer or Authorized User if Vendor determines in good faith that: (A) Customer or an Authorized User's access to or use of the Products and systems disrupts or poses a risk to the security or integrity of any of Vendor's Products or systems, or any of its customers or vendors; (B) Customer or an Authorized User are accessing or using the Products or systems for fraudulent or illegal activities; (C) any vendor or supplier of Vendor has suspended or terminated Vendor's access to or use of any third-party product or service necessary to the Products; or (D) Customer has not timely paid any Fees (any such suspension described in subclause (A), (B), (C), or (D) a "Service Suspension"). Vendor shall use reasonable efforts to provide written notice of any Service Suspension to Customer and to provide updates regarding resumption of access to the Products following any Service Suspension, which shall be in Vendor's sole discretion. Vendor shall use reasonable efforts to resume providing access to the Products as soon as reasonably possible after the event giving rise to the Service Suspension is cured. Vendor will have no liability for any damages, liabilities, losses, or any other consequences of a Service Suspension.
 - vi. **Customer Hardware, Other Software and Services.** Vendor does not bear any responsibility or liability for any Third-Party Services and does not guarantee that any Third-Party Services will operate correctly or that they are compatible or interoperable with the Products.
 - vii. **Product Updates, Modifications and Discontinuation.** We may update the Products, modify content, provide new functionality, or otherwise change the design of any Product that does not materially impair Customer's usage of the Products. The performance of modifications may result in the temporary unavailability of the product. Vendor may discontinue a Freemium Product in its sole discretion and will provide advance written notice to applicable Customers.

3. **Product Addendum(s).** The applicable Product Addendum(s) found in 'Exhibit C - Product Addendum' shall apply to the extent Customer is accessing such Product(s) pursuant to this Agreement.

Amounts paid for Products and Services are not refundable, regardless of the extent they are utilized.
 - b. **Adjustment for Additional Quantity.** Should Customer's use of the Services identified in the Quote and/or any Statement of Work exceed the quantity listed in the Quote, purchase order, Statement of Work, or otherwise, Customer shall be responsible for the payment of additional fees which shall be billed at the applicable rates for such usage. Customer will be notified in writing of such additional fees and Customer shall pay for such usage pursuant to Section 6(a), above.
 - c. **Taxes.** Fees are exclusive of any taxes unless otherwise specified on the invoice as tax inclusive. Customer must pay any applicable value added, goods and services, sales, use, privilege, excise gross receipts, or other transaction taxes, duties, or similar amounts that are owed under this agreement and which Vendor is permitted to collect from Customer under applicable law unless Customer provides Vendor with a valid tax exemption certificate authorized by the appropriate taxing authority. Vendor is responsible for all taxes based on Vendor's net income.
 - d. The Product Addendum, incorporated herein, may contain additional payment terms applicable to the specific Product.
7. **Term; Termination; Effect of Termination.**
 - a. **Term.** The term of the Agreement starts on the earlier of (i) the date that the Customer signs the Quote or (ii) the first date of the Subscription Period and continues until the end of the last Subscription Period listed in the Quote (the "Term"), except as set forth in a further written agreement of the parties.

Further, the Data Protection Addendum and the applicable provisions of these Terms of Service shall survive expiration or termination of the Agreement to the extent that the Data Protection Addendum provides Customer limited access to the Products for the purpose of retrieving Customer Data.
8. **Intellectual Property.** Notwithstanding the limited license granted under these Terms of Service,
 - a. **No Transfer of Rights.** As between Vendor and Customer, Vendor owns all Intellectual Property Rights in or embodied by the Products, including any modifications or adaptations made for the benefit of Customer. Except for the license set forth in Section 2 above, neither Customer nor its Authorized Users will obtain, pursuant to or by virtue of these Terms of Service or their use or access to the Products or the Services, any Intellectual Property Rights in the Products or the Services.
 - b. **Customer License to Vendor.** Customer grants to Vendor and its Affiliates a worldwide, perpetual, irrevocable, royalty-free license to use, distribute, disclose, and make and incorporate into the Products any suggestion, enhancement request, recommendation, correction or other feedback provided by Customer or its Authorized Users relating to the operation of the Products.

9. **Confidentiality.** Recipient may use Confidential Information provided to it by or on behalf of the other party (the "Disclosed Information") only as necessary to perform its obligations or exercise its rights pursuant to this Agreement. Recipient may not disclose the Disclosed Information to any other person or entity except its Affiliate, employee, director, shareholder, member, agent or contractor (each a "Recipient Representative") for purposes of performing Recipient's obligations or exercising Recipient's rights under this Agreement, shall require that each of its Recipient Representatives comply with all obligations of Recipient under this Section 9, and will be liable for any breach of this Section 9 by its Recipient Representative. - a. **WARRANTIES.** VENDOR PROVIDES THE PRODUCTS AND SERVICES "AS IS". VENDOR MAKES NO WARRANTY OR OTHER PROMISE THAT THE PRODUCTS WILL BE UNINTERRUPTED, SECURE, OR ERROR FREE, OR THAT POSSIBLE DEFECTS WILL BE CORRECTED. VENDOR SPECIFICALLY DISCLAIMS ANY REPRESENTATIONS OR WARRANTIES, EXPRESS, IMPLIED, OR STATUTORY, REGARDING THE PRODUCTS OR SERVICES, INCLUDING WITHOUT LIMITATION TO ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, GUARANTEED OUTCOME, RESULT OR SUCCESS, OR NON-INFRINGEMENT OR TITLE, OR ANY WARRANTY OR PROMISE ARISING FROM COURSE OF DEALING, USAGE OR PERFORMANCE.
 - b. **CONSEQUENTIAL, SPECIAL AND SIMILAR DAMAGES.** IN NO EVENT WILL EITHER PARTY OR ITS AFFILIATES HAVE ANY LIABILITY ARISING OUT OF OR RELATED TO THE AGREEMENT FOR ANY LOST PROFITS, REVENUES, GOODWILL, OR INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, COVER, BUSINESS INTERRUPTION OR PUNITIVE DAMAGES, WHETHER AN ACTION IS IN CONTRACT OR TORT AND REGARDLESS OF THE THEORY OF LIABILITY EXCEPT AS TO DAMAGES INDEMNIFIED UNDER

- SECTION 11, EVEN IF A PARTY OR ITS AFFILIATES HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR IF A PARTY'S OR ITS AFFILIATES' REMEDY OTHERWISE FAILS OF ITS ESSENTIAL PURPOSE. THE FOREGOING DISCLAIMER WILL NOT APPLY TO THE EXTENT PROHIBITED BY LAW.

- b. **Entire Agreement.** The Agreement, notwithstanding anything supplementary or to the contrary in any purchase order or other document provided by Customer, constitutes the entire agreement between the parties with respect to its subject matter and supersedes all other agreements or communications, whether written or oral. Any amendments or other changes to the Agreement must be made in writing and signed by both parties.

Both parties agree to substitute a valid provision most closely approximating the intent of the severed provision.
- d. **Waiver.** No waiver by a party of a right or obligation under the Agreement is binding unless it is stated in writing to the other party. Failure of a party to enforce a breach of an obligation of another party under the Agreement does not limit that party's right to enforce a subsequent or different breach of that obligation.
- e. **Dispute Resolution.** Before prosecuting a Claim, the party asserting the Claim must provide the other party written notice of the Claim and not file a Claim until 60 days after that notice is delivered. During those 60 days, the parties each shall make a good faith effort to resolve the dispute. For Customers based outside of the United States, all disputes or Claims arising under the Agreement shall be governed and decided under the laws of the State of Delaware.

- i. **Assignment.** The Agreement may be assigned only with the prior written consent of the other party which shall not be unreasonably withheld or delayed, except that Vendor reserves the right to assign the Agreement without restriction, following commercially reasonable notice to Customer prior to such an assignment, to an Affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its or an Affiliate's assets. Upon valid transfer, the Agreement inures to the benefit of, and binds, the successors and assigns of the parties. Any assignment in violation of this Section is invalid.
- j. **Relationship of the Parties.** The parties are independent contractors, having no other business affiliation. Neither party may assume or create any obligation or make any representation or warranty on behalf of the other party. There are no third-party beneficiaries to the Agreement.
- k. **Anti-Corruption.** Customer represents that it has not received or been offered any bribe, kickback or payment, or any gift or thing of value from Vendor or its employees or agents that violates any law or policy applicable to Customer. Both parties agree to comply with all anti-corruption laws applicable to it.
- l. **Duplicates.** The Agreement may be signed separately by the parties and the signature pages combined to create an original. Authorized electronic signatures are valid. Digitized copies of an original copy of the Agreement shall be treated as an original for all purposes.
- m. **Compliance with Export and Sanction Laws and Regulations.** The Products and Services may be subject to export laws and regulations of the United States and other jurisdictions. Customer shall not permit Authorized User access to any Products or Services in violation of any U.S. export or sanction law or regulation.
- n. **Authorization.** The signatory for each party represents and warrants that it is duly authorized to enter into the Agreement.
- o. **Equitable Rights.** Each party acknowledges that a breach or threatened breach of Section 8 (Intellectual Property) or Section 9 (Confidentiality) may cause the non-breaching party irreparable damage, entitling it to seek equitable relief, in addition to any other remedy.
- p. **Force Majeure.** Except for the obligation to make payments, neither party will be liable for any failure or delay in its performance under the Agreement due to any cause beyond its reasonable control, including, without limitation, acts of war or terrorism, acts of God, earthquake, flood, pandemic, embargo, labor shortage, governmental act or failure of the Internet (not resulting from the actions or inactions of Vendor); provided that the delayed party (i) gives the other party prompt notice of such cause, (ii) uses its reasonable commercial efforts to promptly correct such failure or delay in performance, and (iii) will, not be considered in breach

 - School, District, High Education, and Enterprise Accounts:** All Post Session Reports will be maintained during the Term of the Agreement. Customer will immediately lose access to all Post Session Reports at end of Term so Customers must download Post Session Reports before the end of Term. Vendor will delete Post Session Reports three months after Expiration or Termination of the Agreement.

C. **Payments**

- For Individual Nearpod Licenses that are "Paid Accounts" (i.e. Gold or Platinum):**
 - Upgrading to Paid Account.** Vendor offers Customer the option of upgrading an Individual account to a Paid Account which would increase storage and enable additional features for a fee. If Customer chooses to upgrade, Customer's account will be converted to a Paid Account and will not be subject to some of the restrictions placed on Free Accounts as described at <https://nearpod.com/pricing>. Vendor may change the applicable subscription fee at any time, at our sole discretion, at the end of a subscription period as long as Vendor notifies Customer first by either email to the address associated with Customer's account or by posting on Vendor's website.
 - Initial Payment for Upgrade.** Vendor accepts credit cards and will automatically charge Customer's payment instrument on file before upgrading an account, if available; or request the necessary payment information as needed. In the event Vendor is not able to charge Customer's payment instrument for applicable charges, Vendor may suspend Customer's account until due amounts are paid. Additionally, if Customer's balance is not paid within seven (7) calendar days after Vendor provides notification that an account is in arrears, Vendor reserves the right to delete some or all of Customer files so as to reduce storage space and to convert a Platform Paid Account back to a free account.
 - Automatic Renewal Charges.** Plans (other than school-wide or district plans) that are not cancelled before the end of the applicable subscription period will automatically renew and Customer authorizes Vendor to collect the then-applicable subscription fee for such service using any credit card or other payment mechanism Vendor has on record for Customer. All fees and charges are prepaid and nonrefundable, and no refunds or credits for partially used subscription periods are available. If payment is not received from the credit card issuer, Customer agrees to pay all amounts due upon demand. Customer must provide current, complete, and accurate billing and credit card information, and Customer agrees to pay all costs of collection, including attorney's fees and costs, on any outstanding balance. In certain instances, the issuer of the credit card may charge a foreign transaction fee or related charges, which Customer shall be responsible to pay.
 - Canceling account.** Customer may cancel a Platform Paid Account at any time, by contacting support@nearpod.com. Cancellation will be effective upon expiration of the then-current subscription term. A Paid Account will continue until Customer cancels the Paid Account or Vendor terminates the account, according to the terms of this Agreement. Customer must cancel a Paid Account before it renews to avoid automatic billing of the next subscription term's fees to the credit card on file with Vendor. Should Customer elect to cancel a Paid Account, please note that Customer will not be issued a refund for any previous payments.
 - For Institution Nearpod Accounts and Enterprise Accounts:**
 - Educational Institutions are charged directly for the fees for use of the Product. Vendor accepts credit cards and certain other specified payment methods. This Agreement shall be renewed automatically for successive periods of one (1) year unless Customer provides Vendor with a written notice to the contrary ninety (90) days prior to the end of each renewal term. Each Renewal Term shall incorporate and be governed by Vendor's then current pricing.
 - To the extent a credit card is used to make a purchase for more than Five Thousand Dollars (\$5,000.00), an additional fee may be assessed.
 - All fees and charges are prepaid and nonrefundable, and there are no refunds or credits for partially used periods.

When Customer or its users watch third-party content that is made available through the Product or navigate to such third-party sites, Customer becomes subject to the third party's terms of use and privacy policies. Customer should review the privacy policies of these third-party sites for their policies and practices regarding the collection and use of Customer information as their policies may differ from Vendors. Vendor does not accept any responsibility or liability for the privacy practices of third parties.
