Imagine Learning has offered a pilot program to be used by students enrolled in Indian Ed SEL Summer Camp. This program is designed to provide SEL curriculum to students via an online student license. This is a new program Imagine Learning offers, so teachers will need professional development on how to navigate the program, what it offers to students, and how teachers can support students using the program. The cost to the district is \$750 for the PD. The site licenses are no cost to the district.

**Summary** This area must be complete with full explanation of contract

*The Contract/Agreement should be received at least 2 weeks prior to a Board Meeting to ensure placement on the Agenda. The Contract Committee meets most Tuesdays at 8:00a.m. All Contracts/Agreements, regardless the amount, must be first approved by the Contract Committee and then presented to the Board of Education for approval and signature. The item will be placed on Electronic School Board for the board agenda by Janet Brown. By following this process, the liability of entering into an agreement is placed with the district rather than an individual.*
