Cabinet Team Member: *MA*

Funding Source:
Fund/Project OCAS Coding

Consent

Action

Accept and approve the RENEWAL agreement between Broken Arrow Public Schools and Malwarebytes, Inc for Antivirus and Malware subscriptions. This is the third and final year of the three (3) year contract with service dates of 07/01/2022 - 06/30/2025. The total cost to the District was \$76,513.50 and was paid from bond funds in year one (1) of the contract. / A. Shehada

Summary This area must be complete with full explanation of contract

The Contract/Agreement should be received at least 2 weeks prior to a Board Meeting to ensure placement on the Agenda. The Contract Committee meets most Tuesdays at 8:00a.m. All Contracts/Agreements, regardless the amount, must be first approved by the Contract Committee and then presented to the Board of Education for approval and signature. The item will be placed on Electronic School Board for the board agenda by Janet Brown. By following this process, the liability of entering into an agreement is placed with the district rather than an individual.

Terms and Conditions

This Subscription is a Business license and, except where Customer has a Site License, requires one license per Device (as defined in the EULA). The quantity stated above corresponds to the number of Devices that will be licensed.

Where Customer has a "Site License", it shall be identified in the product description of the Order Form. A Site License grants Customer the ability to execute the Software for its internal use within the band purchased and is not limited to a fixed amount of Devices. Site License pricing is banded with bands determined by employee count. The Parties will reevaluate the Site License band at the end of the Subscription Term.

Only Software designated as a 'server' product, as reflected in the Software's official product name and associated release notes, may be executed on a Device running a server operating system. For the sake of clarity, to the extent detailed in its release notes, 'Malwarebytes Incident Response' and 'Malwarebytes Remediation for CrowdStrike' may be executed on a server. Each instance of an operating system on a partitioned or virtualized machine shall count as a Device.

This Subscription shall be governed by the terms of the Malwarebytes Software License Agreement which can be found at <https://www.malwarebytes.com/eula> ("EULA"), unless you have entered into another mutually signed written license agreement with Malwarebytes ("Written Agreement"), in such case the Written Agreement shall govern. Subscription & Support fees begin on the later of the Subscription Start Date or the Signature Date. Renewal Subscriptions begin at the end of the Initial Term or subsequent Renewal Term. Subscriptions and Support fees are due for payment in accordance with the Payment Method and Payment Terms detailed herein. All Sales Order Forms and Quotations are subject to sales tax at prevailing local rates.

Customer shall have the option to renew this Subscription for a period of twelve (12) months with pricing for the first renewal equal to the prior annualized 36 month term and the second renewal equal to [five percent (5%)] greater than the prior annualized term. Provided, that where pricing was determined based on Customer qualifying for a specific tier, the pre-agreed renewal rate shall only apply where Customer still qualifies for such tier. Customer must exercise its option to renew at least [30 days] prior to the end of this Order's Subscription Term.
