TECHNOLOGY ASSURANCE PLAN

with

BROKEN ARROW PUBLIC SCHOOLS

A. INTRODUCTION

This Technology Assurance Plan for Managed Support Services (herein referred to as 'Agreement') is entered into between Ford Audio Video Systems, LLC (Ford) and Broken Arrow Public Schools (Customer) for the provision of services described herein subject to the terms and conditions as stated.

B. COVERED FACILITIES

1. The facility (or facilities) covered by this Agreement:

Broken Arrow High School
1901 East Albany Street
Broken Arrow, OK 74012

C. CUSTOMER AUTHORIZED CONTACT INFORMATION

The Customer will provide the name of persons(s) authorized to answer questions and to obligate the Customer, if additional services are requested or necessary. The Customer or their designee will be personally available to meet with Ford personnel at the Customer site(s) and have adequate knowledge of the location and status of audio/video equipment and systems. The Customer Contact Person(s) will provide access to all areas and equipment rooms where support services are required. The authorized Customer Contact Person(s) are to be listed in Attachment A of this Agreement.

D. FORD CONTACT INFORMATION

To request technical assistance, get answers to questions on your AV systems, or to schedule a service call with the Ford Technical Assistance Center (TAC):

Technical Assistance Center
Phone: 800-654-6744
Email: service@fordav.com

E. PREVENTATIVE MAINTENANCE SCOPE OF WORK

1. Ford shall perform a pre-scheduled service call for the purpose of conducting routine preventative maintenance (PM) and to check the general operation of equipment. A list of the equipment and locations to be inspected under preventative maintenance visits is listed in Attachment B.
2. One (1) PM visit for the BAHS football stadium sound reinforcement system is included for the term of this Agreement.
3. The PM visit will be scheduled in advance with the Customer, taking place during normal business hours, 8:00 am to 5:00 pm, Monday through Friday, and does not include expendable materials

used (e.g. light bulbs, light fixture lamps, fuses, batteries, portable connection cables, etc.), system programming, or failed equipment not covered by a manufacturer's warranty.

4. During the PM visit, Ford shall perform the following tests and document the results, if applicable.
 - a. Speakers and subwoofers shall be audibly inspected and tested to verify proper operation.
 - b. Amplifiers and processors shall be visually and audibly inspected and tested to verify operation.
 - c. Active audio inputs and outputs shall be tested and verified for correct operation.
 - d. An email notice shall be sent to the Customer in the event that a PM inspection identifies malfunctioning equipment or improper system operation.
 - e. Break-fix, equipment repairs, programming changes, unless specifically included and covered herein, all labor, materials, travel, shipping and handling fees required to repair or restore a system to normal operation, shall be quoted outside the terms of this Agreement.
 - 1) Upon notification and approval by the Customer, Ford shall proceed to schedule and implement system break fixes and equipment repairs.
 - 2) Ford service rates as described herein shall apply.

F. PREPAID SERVICE

1. Ford shall provide an AV Service Technician, when requested by the Customer, at a pre-paid discount rate as described herein.
2. Upon request of the Customer, a Ford Service Technician shall be dispatched on a first-available basis.
3. Unless otherwise specified in this Agreement, scheduling and services are available during normal Ford business hours, as described herein.
4. For services outside of normal business hours, or for services at additional locations, charges as described herein shall apply.
5. Onsite labor is billed at a one (1) hour minimum.

G. AV EQUIPMENT SPACES AND ROOMS COVERED

The applicable equipment, spaces, and rooms covered by this Agreement.

H. OWNER-FURNISHED EQUIPMENT (OFE)

1. Materials or equipment provided by the Customer (OFE), if any, to be included in this agreement, shall have no warranty or guarantee by Ford unless otherwise specified herein. Use of OFE is solely at the discretion of the Customer and support of OFE at the discretion of Ford.

2. The Customer may have products that require an active maintenance contract from the manufacturer in order to receive software/firmware updates and support from that specific manufacturer. Unless specifically identified herein, Ford has not included any manufacturer specific maintenance agreements or manufacturer support agreements or fee(s) pertaining to such, as part of this Agreement. Ford can make no guarantee concerning support of these products without a valid and active maintenance contract from the manufacturer.
3. The Customer is responsible for the installation and registration of all software on OFE computers. Ford shall provide the Customer with system requirements for the Ford provided software. However, the Customer is responsible for installing the software on the OFE computers and/or the OFE network. All software related customer support shall be directly provided by the software manufacturer.
4. Scaffolding or lifts provided by the Customer for use by Ford must meet OSHA safety standards and be satisfactory to meet the needs of the Ford service personnel. In the event the Customer furnished scaffolding or lifts are unacceptable, Ford will present a change request detailing the additional cost and time extension required to complete the service call.

I. NON-SOLICITATION

The Customer and Ford mutually agree, because of the high cost of training an employee, neither party shall solicit the employment of any employee of the other party and shall not employ any employee or any person who was an employee of the other party at any time during the relationship between the parties or for a period of one (1) year following the termination of any relationship between the parties. In the event of a breach of this section, the breaching party agrees to pay the other party an amount equal to the hired employee's annual wages as an agreed upon cost to replace the employee.

J. DURATION OF AGREEMENT

1. The term of this Agreement will be one (1) year beginning upon execution of this Agreement.
2. This Agreement can be renewed at the end of the one (1) year period and shall be subject to adjustments based on the age of the equipment and Ford's labor cost.

K. SERVICE LABOR

1. Services requested in writing by the Customer beyond the scope of this Agreement shall be invoiced separately to the Customer.
2. At the written request of the Customer, Ford shall perform engineering, programming, installation, and service on equipment and systems. Ford shall provide a service technician, programmer, or engineer, at the labor rates listed herein.
3. Discounted Labor Rates
 - a. When service is requested by the Customer, Ford's dispatch shall schedule a service a service call at the next available opening.
 - b. The following discounted labor rates through the Technology Assurance Plan are for Ford's "normal business work hours" which are 8:00 AM to 5:00 PM Monday through Friday:

- 1) Service Technician: \$120.00 per hour
- 2) Engineer: \$150.00 per hour
- 3) Programmer: \$150.00 per hour
- c. Overtime is charged at one and one-half times the standard hourly rate. Double time is charged at two times the standard hourly rate.
 - 1) Overtime is time worked outside the normal business work hours. Double time is time worked after 12:00 AM, on Saturdays or Sundays, and holidays.
4. Travel
 - a. Travel outside of the scope of this Agreement, shall be billed at \$80.00 per hour, unless the physical address where the service call is to be made is within 30 miles of a Ford divisional location. Additional travel expenses may include airfare, lodging, per diem or other transportation costs such as taxis, busses and tolls.
5. Other Expenses
 - a. If scaffolding lifts, or other miscellaneous rentals or expenses are required to perform any work outside the scope of this agreement, Ford will obtain the Customer's approval prior to providing the equipment.
6. Service work performed by Ford is backed with a 90-day workmanship warranty.

L. AGREEMENT COST

1. Annual Cost: **\$5,890.00**
2. Number of Preventative Maintenance visits per year: One (1)
 - a. One (1) PM Visit for one (1) of the location listed in this proposal: \$1,940.00
3. One (1) Ford Service Technician can be requested to attend each home football game, not to exceed five (5) hours per game, for \$790.00 a game.

BAPS currently has five (5) home football games scheduled as follows:

- a. Friday, September 2, 2022 - Broken Arrow Vs. Union

4. Additional playoff home games (if any) would also be for one (1) Ford Service Technician to be provided per home game, not to exceed five (5) hours per game, for \$790 .00 a game if requested by the Customer 72 hours prior to the event.
5. All taxes are the responsibility of the Customer. If a tax is charged to Ford, the Customer will be responsible for reimbursing Ford for this cost.
6. Onsite labor is billed at a one (1) hour minimum.

M. FORD HOLIDAYS

1. Ford closes for the following holidays unless otherwise agreed. Work may not be performed or services available for these holidays, unless otherwise defined herein:
 - a. New Year's Day
 - b. Memorial Day
 - c. Independence Day
 - d. Labor Day
 - e. Thanksgiving Day and the Friday after
 - f. Christmas Day

N. TERMS

1. The Customer will issue a purchase order in accordance with the terms and conditions of this Agreement.
2. Invoices will be submitted at the conclusion of each event, the Preventative Maintenance visit and each ballgame.

All invoices are due Net 10.

Thank you for the opportunity to submit this Technology Assurance Plan Agreement. Please call me if you would like any further explanations of anything contained in this Agreement.

Sincerely,
