Action

Purchase TitleIcrate for all Title I school sites. TitleIcreate is an online program used by Title I site teachers, admin and the administrative office to digitize the Title I document process. It allows Title I school sites and administrators to easily store, organize, monitor and manage all required Title I documentation for all Title I sites.  
Funds will come from F125.

Summary This area must be complete with full explanation of contract

The Contract/Agreement should be received at least 2 weeks prior to a Board Meeting to ensure placement on the Agenda. The Contract Committee meets most Tuesdays at 8:00a.m. All Contracts/Agreements, regardless the amount, must be first approved by the Contract Committee and then presented to the Board of Education for approval and signature. The item will be placed on Electronic School Board for the board agenda by Janet Brown. By following this process, the liability of entering into an agreement is placed with the district rather than an individual.
