These supplies are for students who are in the McKinney-Vento Families in Transition (experiencing homelessness) program. The supply kits are tailored to our school supply grade lists for elementary and come in a large plastic ziplock bag. This is one of the many ways we break down barriers so students experiencing homelessness have the same opportunities to be successful in school despite their current circumstances.

**Summary** This area must be complete with full explanation of contract

*The Contract/Agreement should be received at least 2 weeks prior to a Board Meeting to ensure placement on the Agenda. The Contract Committee meets most Tuesdays at 8:00a.m. All Contracts/Agreements, regardless the amount, must be first approved by the Contract Committee and then presented to the Board of Education for approval and signature. The item will be placed on Electronic School Board for the board agenda by Janet Brown. By following this process, the liability of entering into an agreement is placed with the district rather than an individual.*
