Good afternoon! Can you tell me the percentage of sales that Creekwood will receive from the benefit night?

Hey Aimee,

We will be happy to host a benefit night for Creekwood Elementary at our Broken Arrow location on Tuesday, February 1st, 2022 from 4 pm until 9:30 pm.

I am attaching a flyer for you to use to help promote the event beforehand on social media. Just so you know, we are including our carry out and curbside business in benefit nights **if the guest tells the cashier or curbside attendant they are there for the benefit.**

VERY IMPORTANT: Customers that want their ticket to be counted as part of the benefit night MUST NOTIFY THEIR CASHIER, SERVER OR CURBSIDE ATTENDANT that they are part of the benefit night. We mark the participating tickets and that is the only way we know to include that ticket in the total donation!

If a guest makes a purchase online and prepays, they will still need to tell the person that brings them their food at the curb that they are participating in the benefit night so we can mark that check and include it in the tally.

Thank you for thinking of Hideaway Pizza as a fundraising partner! We wish you every success!

Best regards,

Curtis Barnes
