Hi Hilary, that would be fine we can take payment after. We did something like that with another school as well. We are still available for May 9 from 1:30-3pm. All I need is an ok from you to set in stone and we are good 😊

Yes, they are an approved vendor (vendor 12290) I will send you the email that says they don't need a deposit.

Importance: High

Just have your principal sign the contract committee form and not the actual contract.

Are they an approved vendor?

We are trying to get a contract with Inks Shave Ice but it seems to be taking a bit. We tried Kona Ice but they never responded. This email thread below won't work for a contract will it?

Thanks,
