

SONIC NIGHTS

Sonic Drive In Letter Of Agreement

Your local drive in offers Sonic Nights to help raise funds for your organization. We agree to pay 10% of all sales made on the specified date(s) from 5-8 PM. After a Sonic Night is completed, Sonic will then send your organization a final report along with a check within 2-4 weeks. Lastly, we want your event to run as smooth as possible, so here are some guidelines to keep in mind:

- Your Sonic Sales Coordinator will provide you with a digital flyer that we encourage to be sent to parents a week prior to your Sonic Night.
- We can provide yard signs for your organization to place on your property and Sonic will also promote the event using the yard signs.
- If your organization has social media, we encourage posting about the event as much as possible.
