Should any change of control of Facility or College take place, either party shall have the right to terminate this Agreement upon written notice by Facility or College to the other that such change of control has taken place, or upon receipt of either party or other definitive information reflective of any such change in control. For purposes of this Agreement, a "change in control" of facility of College shall be deemed to have occurred to the extent there is a change in ownership and/or control over ten percent (10%) or more of the aggregate membership interests in Facility or College.

17. Rights in Property. All supplies, fiscal records, patient charts, patient records, medical records, X-rays, computer-generated reports, pharmaceutical supplies, drugs, drug samples, memoranda, correspondence, instruments, equipment, furnishings, accounts and contracts of the Facility, along with all like property, shall remain the sole property of the Facility.
