

SECTION I: BOARD OF EDUCATION POLICY 1190

SCHOOL BOARD MEETINGS

Purpose: The purpose of this policy is to describe the Board of Education’s meetings and the meetings’ procedures.

Board meetings are held to transact the business of the School District. All meetings of the Board, except for executive sessions as provided under Oklahoma School Law, will be open to the public. In the event a meeting is to be continued or reconvened, public notice of the date, time and place of the continued meeting must be given at the original meeting. Only matters that were part of the agenda of the original meeting may be discussed at the continued meeting.

It is the duty of the Superintendent or designee to timely notify all Board members, in writing, of the date, time and place of every regular, special, or emergency meeting. It is also the duty of the Superintendent, as required by Board policy and in accordance with the Oklahoma Open Meeting Act to take all steps necessary to give public notice of any Board meeting and to post all Board meeting agendas.

Regular Meetings

Notice of regular meetings shall be given by the Superintendent or designee to the Tulsa County Clerk no later than December 15 of each year or as may otherwise be provided by law.

Special Meetings

Special meetings require 48 hours, advance public notice, which may include weekends and holidays, given in writing, in person or by telephone to the Tulsa County Clerk. Special meetings are limited in subject matter to the posted agenda. These meetings will be called by the Board President for the purpose of such issues as student suspension hearings, employee termination hearings, and other reasons as determined by the Board President or by a written (paper or e-mail) request of two Board members to the Board President. If two (2) Board members request a special Board meeting, then the Board President must call such special Board meeting to be held on the date and at the time and place requested by the two (2) Board members.

Emergency Meetings

An emergency meeting may be called for the purpose of dealing with emergencies. "Emergency" is defined as a situation involving injury or imminent threat of injury to persons or injury or imminent threat of injury or damage to public or personal property or immediate financial loss, and the requirements for public notice of a special meeting would make such procedure impractical and increase the likelihood of injury, damage, or immediate financial loss. Emergency meetings may be called by the Board President or by a written (paper or e-mail) request of two (2) Board members to the Board President. If two (2) Board members request an emergency Board meeting, then the Board President must call such emergency Board meeting to be held on the date and at the time and place requested by the two (2) Board members.

In the event of an emergency, a meeting of the Board may be held without the public notice required by the Oklahoma Open Meeting Act. Should an emergency meeting of the Board be necessary, the Superintendent or designee will give as much advance, public notice as is reasonable and possible under the circumstances existing, in person or by telephonic or electronic means. To

SECTION I: BOARD OF EDUCATION POLICY 1290

CAPITAL, FINANCIAL AND STRATEGIC PLANNING

The Board of Education is committed to capital, financial and strategic planning in order to guide the work of Broken Arrow Public Schools in providing a high-quality, world-class education that ensures opportunities for success for every student; achieving excellence in teaching and learning; providing an effective instructional program; strengthening productive partnerships for education; creating a positive work environment in a self-renewing organization; and in providing high-quality business services that support the educational success of students. At the beginning of each school year, the Superintendent will review the process with the Board of Education. It is essential that a broad range of stakeholders actively participate in the strategic planning process.

Broken Arrow Public Schools will routinely develop, ~~on an ongoing basis~~, a multi-year plan which will describe the objectives of the District and methods to reach those objectives. The plan will guide the development and improvement of new and existing processes, strategies, and initiatives. The capital, financial and strategic plan will also engage the community to improve student performance and close identified performance gaps. The plan will align the District's work and guide how resources and personnel are allocated so that all students receive a high-quality education.

The Superintendent of schools will periodically update the Board about strategies and initiatives, and progress toward milestones identified in the plan. The Superintendent will also present any significant changes to the plan such as whether any new initiatives are needed or major changes to current programs are required.
