additional purchases or buybacks shall be based on the then current market price, as determined by Constellation in its reasonable discretion.

If Constellation and Customer have previously entered into any commodity transaction(s) for the Facility (the "Previous Transaction") that overlap one or more of the delivery months covered in this Transaction Confirmation (the "Overlapping Month(s)"), the incremental gas pricing in this Transaction Confirmation shall apply to the Overlapping Months instead of any conflicting incremental gas pricing associated with the Previous Transaction.

Alternative Pricing Mechanism: The above described index pricing may be amended by a mutually agreed to fixed, NYMEX based, price arrangement at any time during the Delivery Period herein. Upon expiration of such a fixed price arrangement before the end of the Delivery Period, the pricing mechanism shall return to the index pricing of the Delivery Period herein.

NYMEX Trigger Rights: Customer has the right to trigger the NYMEX price for any month(s) at any time during the Delivery Period, prior to 12:00 p.m. EST/EDT on the final day of NYMEX settlement for each applicable month.

Allocation: Constellation will allocate the Contract Quantity listed herein among the Customer's separate facilities or meters at a later date.

Special Provision: If this Transaction Confirmation is terminated early for any reason, Constellation shall determine, for each remaining month of the Delivery Period, (i) the value of the Contract Quantity at the Contract Price (the "Contract Value") and (ii) the value of the Contract Quantity based on then-current market pricing (the "Market Value"), such that the difference shall be due to the Customer if the Market Value exceeds the Contract Value and to Constellation if the opposite is the case. The owing party will be required to make any such termination payment in accordance with the payment terms of the Gas Supply Agreement.

Seller's planned billing method for this facility is to bill Buyer based on: Actual Consumption

Period of Daily Balancing: Should an operational flow order or period of daily balancing occur, Constellation will attempt to adjust Buyer's daily nomination to match expected usage as determined by Constellation. The incremental increased or decreased volumes associated with the nomination adjustment will be based on then current spot market price, as determined by Constellation in its reasonable discretion.

Default Service : Should Constellation continue to deliver to Customer beyond the term of this Transaction Confirmation, said deliveries will be made for successive 12 month terms (each an "Extension Term"), until terminated by either party by giving written notice of termination not less than 30 days prior to the expiration of the then-current Extension Term. Each month, the default price (the "Evergreen Price") will equal the applicable published index, plus transportation, fuel and any other charges associated with the delivery of gas to the Delivery Point. Unless otherwise
