This three-hour Getting Started session introduces teachers to their new program's structure, essential resources, and implementation recommendations. Teachers will also explore Ed, HMH's teaching and learning platform, and the professional learning pathway on Ed. An HMH Coach will provide the introductory Getting Started session to one teacher group in the morning and a different group in the afternoon. Getting Started is the initial step toward a successful first 30 days. Ongoing training and support will be also provided on Ed. There, teachers will access a guided learning pathway based on their grade level and implementation timeline. A recommended sequence of topics, which includes five sessions, videos, interactive media, and related resources, will help teachers plan, teach, and assess student learning using their new HMH program. After teachers complete each pathway topic, they receive a certificate of completion.
