We are a Lifestyle shop and DIY tie dye studio. We specialize in large group events and mobile parties. The dates we will be attending Broken Arrow Public Schools are June 7th, 9th, and the 11th. We will be providing everything needed for this event and set up + take down. Jessica Wing and I (Shelby Brewster, Owner) decided on tote bags for the students. We will provide all tote bags, dye, take home bags with dyed items, including instructions and detergent to use for aftercare. How large groups usually go is we will set up, and have students come in waves. Each student will fold their own tote bag (instructed by us) and then instructed on how to color the item. Students will have no problems doing this activity. We do suggest making an announcement that students should wear an old shirt or bring an extra, as the dye can stain clothes.

Cost \$10/per student. We accept PO's. We expect payment by July 11th for the three day event. We will accept three different checks if necessary.

We appreciate BAPS for letting us come out these three days! :)

Thank you for supporting a small business,
Shelby Brewster (Owner)
