All infractions of school or group rules shall be reported to the Principal in writing upon return from the activity.
2. An overnight activity with a ratio greater than 1 adult for every 10 (approximate) students will not be approved or allowed to depart. All school activities must have at least one school employee as a sponsor.
3. The gender of the students shall be mirrored by at least one BAPS employee with current and appropriate certification and/or credentials as identified by school administration attending the trip. All coed trips shall be chaperoned by at least one BAPS employee of each gender with current and appropriate certification and/or credentials as identified by school administration.
4. Every effort shall be made to ensure that student hotel rooms are on the same floor as and contiguous to the sponsors' rooms. If this is not possible, the sponsors shall meet with the Principal and/or director/coordinator (if applicable) prior to departure to discuss the feasibility of the trip and supervision procedures for the trip, if approved.
5. Students of the same gender shall be assigned to rooms together. Every effort shall be made to situate the male rooms contiguous to each other and the female rooms contiguous to each other. If this is not possible, the sponsors shall meet with the Principal prior to departure to discuss the feasibility of the trip and supervision procedures for the trip, if approved.

A gender appropriate sponsor shall physically check each room and take roll at the time of curfew.
