Dear Mrs. Hembry:

Due to the increased costs of testing materials and fuel we are forced to increase our pricing for the mold surveys. The current price is \$425.00 for up to 5 samples. The new prices shall be \$525.00 for up to 5 samples. The unit price shall remain the same at \$25.00 per sample for greater than 5 samples. This pricing went into effect May 1, 2022.

If you have any questions please feel free to contact us.

Thank you,

A handwritten signature in cursive script that reads "Daryl L. Lessin".

- A. No person or business having a contract with a school or school district to perform work on a full-time or part-time basis that would otherwise be performed by school district employees shall allow any employee to work on school premises if such employee is convicted in this state, the United States or another state of any felony offense unless ten (10) years has elapsed since the date of the criminal conviction or the employee has received a presidential or gubernatorial pardon for the criminal offense.
- B. Every person or business performing services not subject to subsection A of this section on the property of a school or school district shall be required to sign a statement declaring that no employee working on school premises under the authority of such business is currently registered under the provisions of the Oklahoma Sex Offenders Registration Act and that the business is not in violation of the provisions of this section. Compliance with this statute shall be required of the person or private business, and there shall be no obligation placed upon a school district to ascertain the truthfulness of the affidavit.
- C. A person or business having a written contract with a school or school district to perform work on a full-time or part-time basis that would otherwise be performed by school district employees may conduct a felony search of the employees of the person or entity who would be assigned that work through a request to the State Board of Education in the same manner as a felony search is afforded school districts by Section 5-142 of Title 70 of the Oklahoma Statutes.
