LABORATORY PRICE INCREASE

Hello,

We hope you and your loved ones are well and staying healthy. Thank you for your continued business and support, especially during these trying times. As you know, it is our goal to provide the highest quality client support and services we possibly can. During the pandemic, factors such as the heightened costs of reagents, supplies, shipping, labor and gas prices have contributed to us having to make the difficult decision to increase our test prices. Effective school year 2022-23, we will implement a price increase on student urine panels.

Some enhancements that our laboratory is working towards in the next twelve months include:

- .Research of new emerging drugs of abuse and the effects in the workplace
- .Continued implementation of state-of-the-art laboratory testing equipment
- .Enrichments to our customer service, reporting, and turn- around time

We truly appreciate your understanding and value your loyalty. If you have any questions please contact us at 918-622-6600, or email at info@tulsaweaverdrugtesting.com

Sincerely,
