

# 2020 Graduation Report for School Year 2019

## Strategies to Increase Graduation Rates

1. Grade-level child study teams that focus on attendance, academic progress, and social-emotional needs
2. Deliberate and consistent parent and student contact during school closure
3. Credit recovery offered via multiple methods (virtual summer school, school day, after-school, night school credit recovery)
4. Advisory strategies
  1. Student self-check of transcript and graduation requirements
  2. Enrollment process
5. Focus on attendance
  1. Increase of 5.42% in attendance from 2019 to 2020 - 86.65 – 92.07
6. Increase number of at-risk students being admitted to Options Academy.
