Action

A portion of the Art Tech grant allows for artist visits to come to all 4 PreK centers to share the iExperience Program. The iExperience program will teach 3-5 different art disciplines (i.e ballet, voice, acting). Each lesson includes art history, and example of the traditional format of training, plus a performance component to engage students.

Summary This area must be complete with full explanation of contract

The Contract/Agreement should be received at least 2 weeks prior to a Board Meeting to ensure placement on the Agenda. The Contract Committee meets most Tuesdays at 8:00a.m. All Contracts/Agreements, regardless the amount, must be first approved by the Contract Committee and then presented to the Board of Education for approval and signature. The item will be placed on Electronic School Board for the board agenda by Janet Brown. By following this process, the liability of entering into an agreement is placed with the district rather than an individual.
