SUMMARY

After bidding it was learned that the lowest bidders' specifications did not meet the bid requirements and had to be passed over. These buses are 2024/2025 model year buses that will be used for activity trips. These buses will have an extended warranty and include our specification for radio and camera equipment. Total cost to the District is \$323,713.00. The delivery date is expected to be during the Fall semester of 2024 for the Type A and Summer of 2025 for the Type C.
