

Whataburger Letter of Agreement

Your local Whataburger offers fundraiser nights to help raise funds for local schools and organizations. We agree to pay 20% of total sales made on the specified date(s) from 5-8 pm. After a Whataburger Fundraiser Night is completed, Whataburger will send a sales report. If the school/organization's w9 has been received, it will take approximately (10) business days to receive the check. Lastly, we want your event to run as smooth as possible, so here are some guidelines to keep in mind:

- We will provide you with a digital flyer that we encourage to be sent out to parents and faculty multiple times before your night.
- We will provide you with an official Whataburger Facebook Event Link that we encourage you to share on school pages and ask parents and faculty to share on their pages. We will also purchase geo-targeted adds the week of the event to help promote and drive sales.
