NEW COSTS - COMPUTER FUN

Our mailing costs + our printing costs (mostly due to the very high cost for paper) + our labor costs have risen sharply = I am sure you are not surprised. We will therefore, beginning November I * 2022; charge the following:

80 cents for each printout sold for program #1 — each student will continue to receive two printouts; they can buy one or both. You pay us only for the printouts sold.

85 cents for each printout sold for program #2, #3, or #4 = each student will receive one printout, your club has three choices as to the type of program. You pay us only for the printouts sold.

We are now recommending that Clubs charge \$2.00 for each printout sold which will make a nice profit for your organization.

Thank you,

Joe Barnard COMPUTER FUN

YOUR COST: for EACH printout that you sell.

- D. Decide if you want us to print the "THREE BEST FRIENDS MATCHES" (same sex) at the bottom of each student's printout. There is no additional charge.
- E. Decide if you want us to print the "THREE RANDOM MATCHES" at the bottom of each student's printout. There is no additional charge.
- F. Decide if you want the name of the sponsoring organization printed at the bottom of each student's printout.
- G. You have two types of printouts to choose from (see page 7). One type of printout is on an 8 1/2 x 11 inch sheet of paper with all the information easily seen (most attractive for scrapbooks). You may also choose to have the printouts on plain paper (either white, blue, yellow, pink, buff, lilac, goldenrod, salmon or green).
- H. Decide how many matches each student should receive for the in-school matchup. You may choose 3 to 15 matches depending upon the size of your school (10 matches is most common). We recommend 5 matches for small schools.
- I. Decide if you want to include students' telephone numbers (we do not recommend) or homeroom numbers on the printouts.

Each couple receives two 3-page printouts describing where they are compatible, where they are not compatible and their rate of compatibility. Please staple couples' two answer sheets together before mailing to us.

- 5. COMMITTEE #2: ADVERTISING
 - A. ALL CLUB MEMBERS SHOULD PROMOTE PROGRAM (TALK UP PROGRAM; SHOW EXCITEMENT; BE POSITIVE). It is very important to explain program to students (with posters and morning announcements).
 - B. Hang posters around the school; MAKE EXTRA POSTERS OF YOUR OWN.
 - C. GET EXTRA POSTERS FROM OUR WEBSITE.
 - D. MAKE MORNING PA ANNOUNCEMENTS (decide if you want Speech or Drama Department to help). See website for additional examples of morning announcements.
 - E. On Valentine's Day, give every girl a paper heart to wear (when she purchases a Computer Fun printout). If a male can get her to talk with him, she must then give him her heart. Or use a paper Shamrock, if you run the program on St. Patrick's Day.
 - F. ALL CLUB MEMBERS SHOULD PROMOTE PROGRAM (TALK UP PROGRAM; SHOW EXCITEMENT; BE POSITIVE).
- 6. COMMITTEE #3: COPY QUESTIONNAIRE
 - A. TYPE OR WRITE THE NAME OF YOUR SCHOOL AT THE BOTTOM OF THE ANSWER SHEET BEFORE YOU PHOTOCOPY IT.
 - B. Duplicate questionnaire and answer sheet for all students.
- 7. COMMITTEE #4: HAVE STUDENTS FILL OUT QUESTIONNAIRES
 - A. It is best to have students fill out questionnaires during morning announcements or English class. If this is not possible, have them complete questionnaires for three days during lunch periods. DO NOT COLLECT ANY MONEY AT THIS TIME.
 - B. <u>Separate answer sheets by grade and by sex</u>; put a rubber band around each bundle (no paper clips, please they come off too easily). This is helpful for data entry workers and will <u>increase accuracy of printouts</u>.
 - C. Proofread answer sheets; make sure names are legible and a grade (8, 9, 10, 11, 12) is listed on every slip. Pull any "cute" or "obscene" names. Let us know if you have 2 or more students with the exact same name. Let us know if we should keep any unusual or funny names.
 - D. It is a good idea to WAIT TWO OR THREE DAYS before you mail the answers to us. Then you can include the answer sheets of students who were absent and the sheets that are turned in late. THERE ARE ALWAYS LATE ANSWER SHEETS.
- 8. COMMITTEE #5: MAILING
 - A. CUT ANSWER SHEETS FROM QUESTIONNAIRES; then mail us only the answer sheets. This will save you postage and makes keying easier for data entry workers.
 - B. Be sure to mail us the COMPUTER FUN PROCESS FORM (Top of page 3).
 - C. To ensure that nothing is lost in the mail, SECURE YOUR PACKAGE COMPLETELY, USE PLENTY OF TAPE; IT IS A GOOD IDEA TO PUT YOUR ANSWER SHEETS IN A BOX or a tear-proof envelope.
 - D. Please put ALL answer slips in ONE box. If you want High School students separate from Junior High School students then put slips in separate envelopes inside the same box.
 - E. It is recommended to mail your packages by Priority Mail. Priority Mail normally takes 2 or 3 days from anywhere in the continental United States. Third Class or Library Rate usually takes several days longer. THIS IS ESPECIALLY IMPORTANT WHEN YOU HAVE A SPECIFIC DEADLINE BY WHICH YOU NEED THE RESULTS.

CHOICE OF PRINTOUTS
