

Contract Committee Review Request
 MUST BE COMPLETED IN FULL

Date: 5/25/22

Contract/Agreement Vendor:

Name of Vendor & Contact Person

Vendor Email Address

Describe Contract (Technology, program, consultant-prof Development, etc.)

Please use Summary below to fully explain the contract purchase, any titles, and details for the Board of Education to review.

Reason/Audience to benefit

BOE Date

Amount of agreement

Person Submitting Contract/Agreement for Review:

PLEASE SEND THROUGH APPROPRIATE APPROVAL ROUTING BEFORE SENDING TO BOARD CLERK

Principal **&/or** Director or Administrator:

Does this Contract/Agreement utilize technology? YES/NO YES NO
 If yes, Technology Admin:

Leadership Team Member:

Funding Source:
Fund/Project OCAS Coding

Consent **Action**

The cost of this service is quoted at no cost to the district and profits will be paid to the activity fund. Percent back to school varies from store to store. The date of service will be the 2022-2023 school year. The vendor will provide prizes to students for providing email address information to purchase off vendor site for site profits.

Summary This area must be complete with full explanation of contract

The Contract/Agreement should be received at least 2 weeks prior to a Board Meeting to ensure placement on the Agenda. The Contract Committee meets most Tuesdays at 8:00a.m. All Contracts/Agreements, regardless the amount, must be first approved by the Contract Committee and then presented to the Board of Education for approval and signature. The item will be placed on Electronic School Board for the board agenda by Janet Brown. By following this process, the liability of entering into an agreement is placed with the district rather than an individual.

School Store is an online shopping program that helps schools earn money with every day shopping. We have over 400 vendors that work with us to give money back to schools. We use an email campaign with the students to get the program started. We provide all materials at no cost to the school. We will print parent letters, provide a kick off video & turn in day prizes for students that participate.

Students take home a parent letter & with mom & dad's help send out email invitations to friends and family about shopping online. Those emails go out w/ a link to the school's site where people can shop with merchants like Wal-Mart, Kohl's, Verizon, etc and the school receives UPTO 50% back from these merchants. It varies merchant to merchant what percentage they give back. I do not have a printable list of all merchants; but I've attached a top 100 merchants list.

When students send email invitations they are issued a prize code to return to school for a turn in day prize. At that point the school's part of the program to get it started is complete and there is no more to do.

We provide an online reports page that the contact at the school can use to see how much money the school is earning, what students have participated, and to request a check. We do automatically send a check at the 30 day mark for any monies earned so far. After that time the school can request a check at any time.

One of the merchants, The Family Bookstore, does provide a prize program for students that participate. If they receive orders from that particular merchant they earn prizes on a prize thermometer. Those are periodically shipped to the school prepacked by student for easy distribution. The prize program runs for the course of the school year.

One of the purchase options online is a Caring for Classrooms online voucher. This part of the program is optional. If schools run the program without those vouchers there will be NO mention of them on any materials, emails or the website.

We can have 1 point of contact for purposes of taking care of the contract; but we assign schools to different program schedulers & program coordinators so we can not guarantee that once a school has signed up that they will be working with the same person.
